

St. John's Centre Glastonbury

Refreshed Café Expressions of Interest Sought

St. John's Centre, previously known as the Bay Tree Café, is situated opposite the church of St. John The Baptist in the centre of the historic town of Glastonbury, Somerset.

St. John's is seeking expressions of interest from suitably experienced and creative individuals or companies, interested in operating an innovative, independent café in addition to catering for events within the church. Individuals with a positive and enthusiastic mindset who are looking for their first business opportunity are welcome to apply – we are looking for the right person or company who is passionate about food and is willing to work hard to succeed!

The vision for the café is that it should establish itself as a destination for many local customers, including residents, business people, and tourists whilst also providing catering for an extensive planned events programme to be held within the church.

The café area comprises an equipped kitchen, counter for assisted service and seating for approximately 30 covers with additional outdoor seating. The area can be used for day and evening opening and private events.

The successful caterer will be expected to provide a good quality service, offering value for money and outstanding customer care. The vision is for menus to be developed which will reflect the local area where possible, using fresh local produce and to create appropriate dishes which fit contemporary tastes and cooking methods.

We envisage the successful applicant will take occupancy on the 13th May 2019 and expect the café to reopen by the beginning of June 2019. It is planned that the main events programme will commence within the church in early 2020.

Individuals and caterers are invited to apply for the pre-qualification and initial tender submission pack.

Please apply in writing, by post or by email to:

PCC Glastonbury St. John's,
3, Church Lane,
Glastonbury,
BA6 9DR
